

## ACO London Seeking Volunteer Treasurer

Architectural Conservancy of Ontario, London Region Branch, is seeking a new treasurer due to an out of province move by its current treasurer. The job requires basic book-keeping skills and an ability to use Quick Books in preparing financial statements.

The new treasurer will join a forward looking heritage group with an active executive dedicated to preserving our city's architectural heritage through education, advocacy, and publications. ACO London is best known for its annual Geranium Heritage House Tour which highlights the history and architectural features of a specific neighbourhood each year. The board meets on the first Monday of each month at Grosvenor Lodge, 7 to 9 pm.

To express your interest in the position, please contact Genet Hodder, [genethodder@rogers.com](mailto:genethodder@rogers.com), or see our website [www.acolondon.com](http://www.acolondon.com) for further information about the organization.
